

ConisioDark

Dark mode for SOLIDWORKS PDM Explorer

A consistent dark theme for SOLIDWORKS PDM Explorer, from the file list to the assembly details. Familiar tools, a calmer workspace and less glare during long days in the vault.

Licensing

Per user, pooled per vault

Options

Yearly subscription or perpetual

Requires

PDM Professional 2024 SP0 or later

What it does

Dark theme everywhere

File list, 3D preview, variables and assembly details in one consistent theme.

Per computer switch

Each user turns dark mode on from the ConisioDark menu in PDM Explorer.

Pooled seats

Keys are activated once per vault. Seats are borrowed and released automatically.

Admin seat view

See who uses a seat, on which computer, and release seats in one click.

Move keys any time

Deactivate keys in one vault and activate them in another.

Light footprint

A standard PDM add-in (ConisioDark.CAF) deployed from the Administration tool.

Up and running in minutes

1

Add to your vault

In the Administration tool, add the ConisioDark.CAF package under Add-ins.

2

Activate your keys

Right-click the add-in, choose Manage licenses and paste your keys, one per line.

3

Turn on dark mode

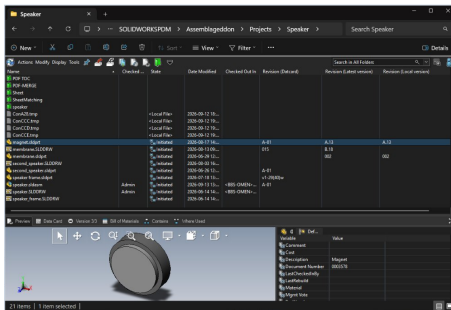

Each user right-clicks in PDM Explorer, opens ConisioDark and enables dark mode.

4

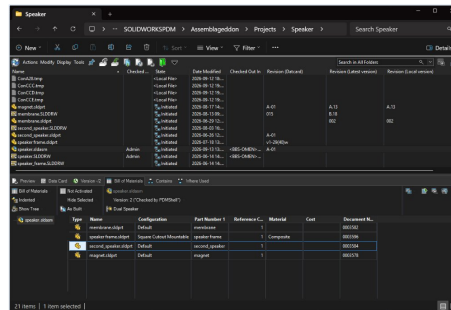

Manage seats

Monitor seats in use and release the ones you no longer need.

Pricing

Subscription

US\$49 per user per year. Save 10% on 2 years, 15% on 3 years.

Perpetual

US\$149 per user, one time. Keys valid through 2099.

Free for a year with PDMShell, PDMPublisher or Folder Columns Manager: 3 licenses included.

Requirements

- SOLIDWORKS PDM Professional 2024 SP0 or later
- Windows Dark Mode on each client computer
- Synchronized Windows clocks
- One key per user license. Each key adds one concurrent seat to the vault.
- Keys can be moved to another vault at any time.

Give your team a calmer PDM Explorer

Try ConisioDark free for 30 days. Licensed per user, activated once per vault.
